IN RE: LONG DISTANCE CARRIERS	DOCKET NO. A-03-3066, et al.
--------------------------------------	------------------------------

NOTICE OF CANCELLATION OF REGISTRATIONS

(Issued July 8, 2004)

In early January 2004, the Utilities Board (Board) mailed annual report forms to all long distance carriers registered to provide long distance service in Iowa, pursuant to 199 IAC 23.1(2). The forms were mailed to the carriers at the addresses on file with the Board. Responses were due in the Board's office by April 1, 2004. The carriers identified in Attachment A failed to return the forms.

On May 10, 2004, the Board mailed letters to the carriers notifying them of their failure to file the required annual report. The letters constituted written notice of a specific violation of a Board rule pursuant to Iowa Code § 476.51. No responses to these letters have been received as of the date of this order.

Based on this information, it appears that these carriers are not providing long distance service in Iowa. Therefore, the Board will cancel the registrations of each of the carriers identified in Attachment A 30 days from the date of this order unless the Board is contacted by the carrier and provided with appropriate information indicating why the carrier's registration should not be canceled. The filing should include an annual report showing that the carrier had revenues from long distance services in 2003 or a statement that it did not have such revenues in 2003 but has reasonable plans to offer in the near future services that are likely to produce such revenues. If a

carrier makes a timely filing of an annual report and updated corporate information, its registration will not be canceled and will continue to be in effect until further order of the Board.

Further, any long distance carrier that continues to provide long distance services without having filed the required annual report will be subject to civil penalties pursuant to Iowa Code § 476.51 or § 476.103(4).

Finally, the Board will direct that a copy of this order be placed in the annual report file for each company listed in Attachment A.

IT IS THEREFORE ORDERED:

The carriers listed in Attachment A are directed to contact the Board with a completed annual report and updated corporate information within 30 days of this order. If the Board does not receive a response from a particular carrier within 30 days of this order, the registration for that particular carrier will be deemed canceled without any further action by the Board. A copy of this order will be placed in the annual report file for each company listed in Attachment A. A courtesy copy of your annual report form is enclosed.
